**Subject:** For review by 1 pm tomorrow (if possible): Latest version of the Transition document  
OAR Transition Issues - Meetings 8-31-2016.xlsx

The attached version incorporates Janet's final comments, and the ones I discussed with Betsy at noon, and the few things we touched on at Roundtable tomorrow. It's unfortunate that you can't see in redline the changes I made, but I can say confidently I got 99% of Janet's and about 90% of Betsy's and I think overall this revised version is closer to what we discussed at RT.

Couple of quick notes:

- I moved all of the deleted entries – as suggested by Janet, Betsy, and others – to a new “parking lot” tab...just so they weren't lost forever.

- Also in this parking lot tab are **Ex. 5 - Deliberative Process**

- I alerted OP that this new tab exists and also that I welcome their feedback on anything we moved there, when they review later this week.

RE: timing, I told Laura Gentile in OP I'd get her a revised version by COB tomorrow. So wld appreciate you all taking a look to see

(One other note to Betsy: waiting for **Ex. 5 - Deliberative Process**
